## Travel

### By Car:

Leave the M1 at Junction 39 and take the A636 towards Wakefield. At the first roundabout, take the first exit into Calder Park. You will come immediately to another roundabout with a large, triangular sculpture in the middle. Take the third exit, follow the road round and take the second right into Appleton Court. Aqua Enviro is in front of you, to the left.

### Parking:

Please only park in bays marked 'Aqua Enviro', immediately outside the offices. If these are all taken, then alternative parking is usually available at The Red Kite and Premier Inn.

### By Train:

Wakefield Westgate mainline station is just a 10 minute taxi ride to the Appleton Court. The taxi rank is situated directly outside of the station.

### By Air:

The nearest airport is Leeds/Bradford, which is a 40-50 minute drive, depending on traffic. We recommend using Arrow Cars (based at the airport) or Abbey Cars 01 13 350 5050.

If you would like accommodation you can reserve a room at the Premier Inn which is a two minute walk from the office:
