

EUROPEAN **WASTE WATER MANAGEMENT** CONFERENCE  
17-18 JULY 2018, MANCHESTER UNITED FOOTBALL STADIUM

**Attendee List 10.07.18**

Design Manager	@one Alliance
Electrical Engineer	@one Alliance
CEO	Águas da Figueira
Assessora	Águas da Figueira
Business Development Manager	ALS Environmental
Chemistry Operations Manager	ALS Environmental
Optimisation & Development Scientist	Anglian Water
Technical Manager	Aqua Enviro
Associate Business Development Director	Aqua Enviro
Senior Anaerobic Digestion Scientist	Aqua Enviro
Operations' Director	Aqua Enviro
Technical Director	Aqua Enviro
Bioresources Development Manager	Aqua Enviro
R&D Manager	Argent Energy UK
Founder Director	Arvia Technology
Process Development Engineer	Arvia Technology
Senior Principal Environmental Scientist/ SHE Research and Foresight Director	AstraZeneca
Director	ATAC Solutions
Business Development Manager	ATAC Solutions
Associate Director	Atkins Global
Technical Support Engineer	BakerCorp UK
Branch Manager	BakerCorp UK
Account Development Manager	BakerCorp UK
Marketing Co-ordinator	BASF Construction Chemicals
Sales Manager: Waterproofing	BASF Construction Chemicals
Technical Director	Black & Veatch
Marketing Manager	Bluewater Bio
Engineering Director	Bluewater Bio
Principal Process Engineer	Bluewater Bio
R&D Manager	Brettex Site Services
Technical Manager	Brettex Site Services
ICA Manager	Brettex Site Services
Technical Manager	Brettex Site Services
PhD student	Brunel University
Ecotoxicologist	Centre for Ecology and Hydrology

Researcher	Cork Institute of Technology
Senior Lecturer in Biological Engineering	Cranfield University
Process Engineer	Doosan Enpure
Growth Strategy Manager	Dwr Cymru Welsh Water
Wastewater Science Manager	Dwr Cymru Welsh Water
Head of Biosolids Business	Dwr Cymru Welsh Water
Asset Scientist	Dwr Cymru Welsh Water
Scientific and Technical Affairs Director	EDANA
Technical Consultant	Eijkelkamp
Senior Process Engineer	Eliquo Hydrok
Business Development Manager	Eliquo Hydrok
Technical Director	Eliquo Hydrok
Doctoral Degree Candidate	ENSAIT
President	Envirosim Associates
	European Sustainable Phosphorus Platform (ESPP)
Secretariat	Evergreen Water Solutions
Sales Manager	Evergreen Water Solutions
Managing Director	Evides Industrial Water
Head of Marketing & Business Development	Evides Industrial Water
UK Business Manager	Evodis
Sales Manager	Evoqua Water Technologies
Process / Applications Engineer	Evoqua Water Technologies
Applications Engineering Manager	Evoqua Water Technologies
Process Engineer	Evoqua Water Technologies
UK & Ireland Sales Manager	Evoqua Water Technologies
Regional Director, EMEA	Evoqua Water Technologies
Municipal Proposals Manager	Evoqua Water Technologies
Business Development Manager	FLI Water
PhD student	Glasgow Caledonian University
PhD Student	Glasgow Caledonian University
Water Solutions Specialist	Hach
Application Development Manager	Hach
Marketing Manager	Hach
Sales Manager	Hahn Plastics
Product Manager Aquasuite FLOW	HaskoningDHV UK
Business Development Director	HaskoningDHV UK
	Hebei Qiou Environmental Protection Technology
Engineer	Helix Environmental Consultancy
Technical Director	Hydro International
Principal Process Engineer	Hydro International
Business Development Manager (UK)	Hydro International
Regional Technical Manager	IMERYS
Market Development Specialist	Institute of Technology Carlow
Postgraduate Research Student	Isle Utilities
Head of Wastewater	

Founder & Chair	Isle Utilities
MD	Kolina
Senior Process Engineer	Kolina
Sales & Marketing Executive	KP2M t/a Power & Water
Sales Director	KP2M t/a Power & Water
Process Advisor	Lange Lyche Teknisk
President	Lange Lyche Teknisk
Director	McGill Engineering
Process Engineer	Mecana Umwelttechnik
Assistant Marketing Manager	Metrohm UK
Business Manager	Metrohm UK
Sales Director	Metrohm UK
Principal Consultant	MMI Thornton Tomasetti
Senior Design Manager	Morgan Sindall
Process Design Team Leader	Mott MacDonald
Process Engineer	Mott MacDonald
Graduate Process Engineer	Mott MacDonald Bentley
Project Design Lead	Mott MacDonald Bentley
Project Manager	Mott MacDonald Bentley
Process Engineer	Mott MacDonald Bentley
Sales Manager Municipal	Nijhuis Industries
Sales Manager	Nijhuis Industries
Technical Policy Advisor	Northumbrian Water
Technical Advisor	Northumbrian Water
Technical Director	Orege UK
Job Title	Organisation
Process Engineer	Ove Arup & Partners International
Process Engineer	Ove Arup & Partners International
Senior Process Engineer	Ove Arup & Partners International
Senior Process Engineer	Ove Arup & Partners International
Technical and Application Support Special	Palintest
Sales Engineer	Partech Instruments
Senior Sales Engineer	Process Measurement & Analysis
Sales Director	Process Measurement & Analysis
Marketing Manager	Process Measurement & Analysis
Associate Director	Ricardo Energy & Environment
PhD Candidate	RMIT University
Technical Manager	Royal HaskoningDHV
Asset Planner	Scottish Water
WW Resilience & Regional Strategy Team Lead	Scottish Water
Wastewater Process Scientist	Scottish Water
Process Design Engineer	Severn Trent Water
Process Designer	Severn Trent Water
Technical Lead, Innovation	Severn Trent Water
Project Manager	Severn Wye Energy Agency

Sales Manager: Northern Europe	Sibelco
Technical Manager	Siltbuster Process Solutions
Proposal Manager Industrial	Siltbuster Process Solutions
Environmental Scientist	SNC-Atkins
Waste Water Process Technician	South West Water
Senior Process Scientist	Southern Water
Project Design Lead	Southern Water
Process Scientist	Southern Water
Process Scientist	Southern Water
FOG & Unflushables Project Manager	Southern Water
Principal Process Scientist	Southern Water
Project Manager	Southern Water
Process Capacity Engineer	Southern Water
WW Capacity Manager	Southern Water
Technical Consultant	Stantec
Principal Process Engineer	Stantec
Senior Design Engineer	Stantec Farrer
Senior Process Scientist	Stantec Farrer
Lead Technical Manager	Stantec Treatment
Principal Process Engineer	Stantec UK
Technical Director	Stantec UK
Business Support Manager	Suez
Sales Director	Suez
Process Engineer	Suez Advanced Solutions UK
Director of Water Utilities & Technical Services	SUEZ Water Technologies & Solutions
Chemical Investigations Analyst, Strategic Planning and Investigation	Thames Water Utilities
Process Modelling Manager	Thames Water Utilities
Process Modelling Specialist	Thames Water Utilities
Process Engineer	Trant / SFC Umwelttechnik
Authorizing Manager	Trant/ SFC Umwelttechnik
Process Engineer	United Utilities
Principal Process Engineer	United Utilities
Area Engineering Manager	United Utilities
Environmental Strategy Manager	United Utilities
Senior Process Engineer	United Utilities
Senior Hydraulic Engineer	United Utilities
Senior Lecturer	University of Birmingham
PhD candidate	University of Glasgow
Associate Professor Chemical and Environmental Engineering	University of Nottingham
PhD Researcher	University of Nottingham
Marketing and Special Projects	Van Walt
Researcher	Veolia
CEO Northern Europe	Veolia

Product Manager	Veolia Water Technologies
Technical Director	Veolia Water Technologies
Business Development Director	Veolia Water Technologies
Sales Manager	Veolia Water Technologies
R&D Project Manager	Veolia Water Technologies
Peristaltic Pumps Product Manager	Verder
Senior Sales Engineer	Verder
Marketer	Verder Liquids
Business Development Consultant	Warden Biomedica
Managing Director	Warden Biomedica
Business Development Manager	Warden Biomedica
Marketing Manager	Warden Biomedica
Area Scientist	Wessex Water
Environmental Scientist	Wessex Water
Process Optimisation Scientist	Wessex Water Services
Process Optimisation Manager	Wessex Water Services
Process Optimisation Scientist	Wessex Water Services
Project Director: Energy Water & Environment	Witteveen+Bos
Project Engineer	WiW
Technical Manager	WiW
Technical Director	WPL International
Utility & Industrial Sales Manager	WPL International
Sales & Marketing Director	WPL International
Engineer (Sewerage and Flooding)	WRc
Treatment Policy Manager	Yorkshire Water
